

New York Metropolitan Chapter NEWSLETTER April 2023

Message from the Chapter President

Greetings Membership!

April is here, and you know what that means, right? Warm weather, Gala on the horizon, voting season for Board Directors, Rooftop extravaganzas to network at, and all things fun! We have had a very busy month, and I have quite a few updates to share, as you will see below. One thing to note is that the in-person events have been selling out quicker than usual despite us setting high seat counts. Try to book events as they are introduced to lock in your seats. As many of the members who have attended will say, they will be back!

Just a quick reminder that we are seeking volunteers to help us meet our commitments to all of you. If you are interested in volunteering, please do not hesitate to contact me at at President@isacany.org or Volunteer@isacany.org. We appreciate any and all contributions! Additionally, don't forget that you can revisit any of the past newsletters at ISACANY.ORG/Newsletter.

Here are some updates from the past month that we would like to share with you:

- **Chapter Elections** – We are excited to kick off our chapter elections. Keep an eye out for voting instruction in the near future.
- **DEI Rooftop Event** – The newly formed DEI subcommittee hosted their first mixer, which was one of the quickest sell-outs to date!
- **Gala Location and Time** – The location and timing of our annual gala has been confirmed. Dust off your old suits and dresses and get ready for a night to remember!
- **Wasserman Award** – We have named this year's Wasserman Award recipient.
- **Spring Membership Event** – Mark your calendars for our Spring Membership Event.
- **Leadership Series** – Important note on the leadership series and replays.
- **Training and Development** – Early bird registration is available for the Spring 2023 classes.
- **Volunteer Call** – We are in need of volunteers to help us support our annual slate of events and activities. Please consider signing up to pitch in!

Chapter Elections Update

In our last newsletter, we recognized the immense effort of the Nominations Committee in evaluating the many candidates for the upcoming Chapter Board elections. We encourage you to keep an eye out for voting instructions and credentials so you can participate in this critical election. Your vote is essential, and this is your opportunity to help shape the future of our organization. Whether you appreciate the current direction or desire change, your voice can be heard through your vote. If you have any thoughts or suggestions, please don't hesitate to share them by emailing me at President@isacany.org. Let's work together to build a stronger chapter!

DEI Rooftop Event

Incredible! The DEI Rooftop Event was absolutely phenomenal. The room was filled with smiles, and individuals from diverse industries came together to create an inclusive atmosphere that was the perfect recipe for a fantastic gathering. The DEI committee has been a shining example of what a passionate, well-organized group can achieve. Their integrity and commitment to fostering meaningful conversations about diversity, equity, and inclusion have truly set them apart.□□□□□□

Furthermore, there is a clear appetite in the market for events like this. As our global society becomes increasingly diverse and interconnected, it is crucial for organizations and individuals alike to embrace DEI initiatives that promote understanding, respect, and collaboration across cultures and backgrounds.

Kudos to the DEI committee for leading such a fantastic event, and to everyone who secured their tickets and attended. Let's continue to champion diversity, equity, and inclusion in our workplaces and communities!

A special shout-out to Alyssa Vumbaco, Christeen Russell, Japneet Kaur, and their fantastic team of volunteers for organizing such a delightful and successful event. Bravo!

2023 Gala Extravaganza

Mark your calendars, for this year's Gala Extravaganza is confirmed!

Plans for our 2023 Gala Extravaganza are in the works and we are excited to announce that the event is officially confirmed for the 2023 season. The event will be held on the 15th of November at the Grand Ballroom of the Grand Hotel. The evening will feature a variety of entertainment, including live music, dancing, and a special performance by the Grand Hotel's resident band. We are looking forward to a night of celebration and fun with our friends and colleagues.

Prepare for a night to remember, as this year's Gala Spectacular is officially on the calendar! Last year's event was a dazzling, sold-out affair filled with laughter, snapshots, networking, learning, and libations. We're excited to announce our return to the stunning City Winery for an unforgettable Thursday night (6/22), featuring the company of our distinguished guests.

Please be aware that seating is limited, so secure your spot as soon as possible at <http://bit.ly/ISACAGALA23>. To catch a glimpse of last year's festivities, feel free to visit our LinkedIn or Instagram/Facebook pages. Get ready for an enchanting evening that you won't want to miss!

Wasserman Award

As Alex Abramov, former President of our chapter, disclosed, the 2023 Joseph J. Wasserman Award Recipient is Chris K. Dimitriadis, Ph.D. As Wasserman Committee Chair, Alex did a great job summarizing Chris' tremendous impacts on the profession and community.

Here is a tidbit of it from LinkedIn announcement:

"[...] Chris is an accomplished leader in the global cybersecurity, assurance, information technology and has made significant and original contributions in the field, earning a well-deserved reputation for excellence.

Serving ISACA as a volunteer for the past 19 years, he was a Chair of the Board for two consecutive terms (2015-2017) and Director of the Board for nine terms, as well as a Chair of multiple committees of the association. Chris is currently a Director of the Board at ISACA Europe, and he has also served as a member of the Permanent Stakeholders Group (PSG) of the European Cybersecurity Agency (ENISA) from 2012 to 2015.

Chris had played a critical role in development and integration of ISACA Control Objectives for Information Technology (COBIT) 5 and ISACA Business Model for Information Security (BMIS.)

I've had a privilege to know Chris and observe his leadership in action while he executed the most significant transformation of ISACA to become a dynamic organization well positioned for growth and success.

Currently Chris is serving as the Chief Global Strategy Officer of ISACA, fostering continuous alignment of the organization's strategy with the changing needs of its members, chapters, and industries in 180 countries. He is a former Group CEO of INTRALOT and has served INTRALOT as a Chief Services and Delivery Officer, Group Director of Technology Operations, and Group Director of Information Security. Chris holds three patents, and has authored more than 150 publications."

Chris has been named as the recipient of the most prestigious award that our chapter can bestow on an individual, and it is truly well deserved. For those who have had the pleasure of working with Chris, it is clear that he is an innovative thinker, an effective problem solver, and a genuinely kind-hearted individual. His expertise has led to groundbreaking advancements, making him an obvious choice for this honor.

Spring Membership Event

We're excited to announce the upcoming Spring Membership Event hosted by Marcum and sponsored by Protiviti, Fortinet, ISACA, and Marcum. Join us on **May 23, 2023, from 5:30 PM to 7:30 PM** at 730 3rd Avenue, 11th Floor, New York, NY 10017 for an evening of networking and learning with like-minded professionals in the heart of New York City. Stay tuned for more details about our impressive lineup of speakers and the event agenda, which will be announced shortly. This in-person event promises to be a great opportunity to expand your professional network and gain valuable insights from industry experts. After the event, we'll continue the evening with a rooftop reception that you won't want to miss.

We extend our gratitude to our sponsors for making this event possible. Mark your calendars, and we hope to see you there!

Leadership

As previously mentioned on our website and in previous newsletters, we are proud to announce that our Leadership Continuum has been recognized with the prestigious **ISACA Innovative Chapter Solutions Award**. This is an extraordinary achievement, and we are grateful to everyone who helped make it possible.

We will be attending the Awards Ceremony in Boston on May 10th, following the Digital Trust World Boston event, to

accept this honor. On behalf of the board, we extend our sincerest gratitude for your ongoing support.

To access all previous Leadership Speakers and videos, including Barbi Goldstein's spotlight and the Leadership

roundtable featuring Jim Ambrosini, Nigel James, Ken Drinkard, Chad Reyes, and myself, please visit <http://isacany.org/leadership>.

Training and Development

Check out our Training and Development section for exclusive early-bird discounts on more than a dozen certification and training events for Spring 2023. These events cover various topics such as CISM, CRISC, ITIL, CISSP, CDPSE, Digital Forensics, Cybersecurity, Privacy, Technical Writing, TPRM, SDLC, DA, Resilience, ERM, and more. Don't miss out on this opportunity to enhance your skills and advance your career. Visit our website now for more information and to secure your spot at a discounted rate.

Volunteer Opportunity Reminder

Great news! Don't miss out on the chance to become an ISACA Metropolitan New York Chapter volunteer. Volunteering comes with fantastic benefits, including earning up to **20 CPEs per year**, which is equivalent to thousands of dollars worth of training. Volunteers also receive reduced pricing or waived fees to attend ISACA Chapter events, and those supporting live events are often comped. Additionally, volunteers have the opportunity to become Associate Directors, providing increased exposure to the Board Directors and Membership, and it's an excellent way to give back while opening up career opportunities through networking. Many volunteers are entered into the ISACA New York Metropolitan Chapter Leadership Training program. If you're interested in volunteering, please email me President@isacany.org and Volunteer@isacany.org with your interest.

Important Notices

- **Women in Tech Spotlight:** The Women-In-Tech Spotlight series is an honorary program that recognizes the leadership and professional accomplishments of women in the information technology, information security, and governance, risk, and compliance industry. We are currently accepting nominations. Please submit your nomination using the link [here](#).
- **Top Four Under 40:** Nominate your emerging professional rising star [here](#)! Our four rising stars will (1) be featured on our website and social media, and (2) will be reimbursed for their study materials and exam fees for 1 certification (upon passing grade). To be eligible, the emerging professional must be a member of the New York Metropolitan Chapter.
- **DEI Spotlight:** The Diversity, Equity, and Inclusion Spotlight series is an honorary program that recognizes individuals for their leadership and contributions to DEI initiatives in their companies and/or communities. We are currently accepting nominations. Please submit your nomination using the link [here](#).

As the president of this amazing organization, I couldn't be prouder of the incredible strides we've made in disaster relief, philanthropy, leadership, and humanitarian efforts. Our Chapter has truly evolved beyond being just a professional association – we've become a family.

I'm immensely grateful for all our members' contributions in supporting this remarkable journey, and I warmly welcome anyone who wants to join and volunteer to be part of our ever-growing family. Together, we can continue making a meaningful impact in the world!

meaningful impact in the world:

Wishing you all the best and thank you for being part of this extraordinary community.

Stay Safe and Awesome New York,

2023 Joseph J. Wasserman Award Recipient

Chris K. Dimitriadis, Ph.D.

It gives me a great pleasure to share with you that the Wasserman Award Committee and the Board of Directors of the ISACA New York Metropolitan Chapter have voted unanimously to name Chris K. Dimitriadis as the 2023 Joseph J. Wasserman Award recipient.

Chris is an accomplished leader in the global cybersecurity, assurance, information technology and has made significant and original contributions in the field, earning a well-deserved reputation for excellence.

Serving ISACA as a volunteer for the past 19 years, he was a Chair of the Board for two consecutive terms (2015-2017) and Director of the Board for nine terms, as well as a Chair of multiple committees of the association. Chris is currently of the Chair of the Board at ISACA Europe, and he has also served as a member of the Permanent Stakeholders Group (PSG) of the European Cybersecurity Agency (ENISA) from 2012 to 2015.

Chris had played a critical role in development and integration of ISACA Control Objectives for Information Technology (COBIT) 5 and ISACA Business Model for Information Security (BMIS), as well as in the acquisition of CMMI by ISACA and recently, in the establishment of Strategic Advisory Councils in all regions around the world, engaging and mobilizing our global community.

I've had a privilege to know Chris and observe his leadership in action while he executed the most significant transformation of ISACA to become a dynamic organization well positioned for growth and success.

Currently Chris is serving as the Chief Global Strategy Officer of ISACA, fostering continuous alignment of the organization's strategy with the changing needs of its members, chapters, and industries in 180 countries. He is a former Group CEO of INTRALOT, a global gaming company with presence in 42 jurisdictions and has served INTRALOT as a Chief Services and Delivery Officer, Group Director of Technology Operations, and Group Director of

Information Security. Chris holds three patents, and has authored more than 150 publications.

Please join me in congratulating Chris on receiving this prestigious award for his outstanding achievements and contributions to our profession and ISACA.

SheLeadsTech Subcommittee

Alyssa Vumbaco, Chair

Christeen Russell, Chair

What is SheLeadsTech?

SheLeadsTech is a women-focused program which works to increase the representation of women in Technology leadership roles and the workforce. Powered by a vast global network of women IT professionals dedicated to supporting others, SheLeadsTech provides women with mentorship, leadership training, and skills training to grow and excel within the industry.

What's new with SheLeadsTech

This month SLT Tuesday will be held on 5/23 in conjunction with the Spring Membership Event. This will be an in-person event and give us all a chance to earn some CPEs and do some networking. If you have been joining our monthly sessions, we hope you will be able to join us in-person for this month's event.

Registration Link: <https://cvent.me/ML3EEo>

SheLeadsTech Spotlight

This month, we are shining the spotlight on **Tyler Cohen Wood!** Tyler was one of our featured panelists on our SheLeadsTech Celebrates Women's History Month Panel in March. She is an accomplished woman in the tech industry and co-founder of Dark Cryptonite, a cybersecurity platform. She is also the host of My Connected Life: Digital Health Disrupted, where she explores the intersection of technology and health. Her latest book, *Catching the Catfishers*, provides practical guidance on how to safely navigate the online world.

Nominate a "Top Four Under 40" Candidate

The Top Four Under 40 program recognizes outstanding ISACA New York Metro members under 40 in the IT Audit, Cybersecurity, and GRC fields for their exceptional contributions to their teams and companies. These individuals go above and beyond, and we want to acknowledge their dedication to our sector. Four Emerging Professionals will be honored at our annual recognition event, featured on our social media channels, and given the opportunity to attend future exam review classes (valued at \$600). Nominate a deserving colleague or apply today using the link [here](#) or the QR code. *Note: The emerging professional must be a New York Metropolitan Chapter member to be eligible.*

OneInTech – Diversity, Equity, and Inclusion (DEI) Subcommittee

The ISACA New York Metropolitan Chapter is excited to announce the creation of a new committee under the umbrella of the Membership Committee, the OneInTech – Diversity, Equity, and Inclusion (DEI) Committee. ISACA New York Metro believes that DEI drives value for our members and makes us better able to serve our membership and community. ISACA NYM is committed to fostering a culture that values diversity, equity, and inclusion.

Alyssa Vumbaco, Chair

Alyssa Vumbaco, DEI Chair and Japneet Kaur, EP Chair hosted an unforgettable event at the Highwater Rooftop on Thursday night. Thank you to the 100+ attendees who joined us to celebrate the new DEI committee! It was a sold-out evening of networking, laughter, views, cocktails, and even some raffle prizes. A special thank you to our vendors for helping make the evening a possibility.

All Welcome!

2023 Student Cybersecurity Case Study Competition

Eleven teams successfully completed the "PharmaCo" case study and submitted their analysis to seven competition judges. The judges will rank all teams by May 1st, and on Sunday, May 7th, the top three teams will be interviewed to finalize their placements. Students in the top three teams will receive chapter scholarships from a prize fund of \$30K.

We would like to express our gratitude to competition sponsors **Fortinet**, **Protivity**, and **ISACA NJ Chapter** for their generous contributions to the prize fund. Their support is invaluable in helping ISACA New York Metropolitan Chapter to cultivate the next generation of cybersecurity leaders.

How would **YOU** rank the teams? Please let Eugene.Levin@isacany.org know...

CUNY TIRC Program

The ISACA NY Metropolitan Chapter has partnered with CUNY (City University of New York) Central for the NYC Tech-In Residence Corps (TIRC) program. If you're interested in teaching at a university for the Fall semester and earn up to 20 CPEs, this program is for you. The Tech-in-Residence Corps was launched in 2017 by the City of New York, NYC tech companies, and CUNY to provide college students with in-demand skills to enter the workforce. Co-designed by industry and academia, the program aims to infuse real-world experience and skills, taught by top tech leaders, into tech degree programs. Members of the Tech-in-Residence Corps receive training and support to teach the next generation of NYC students.

To register or to learn more about the program, visit this [website](#) or sign up [here](#).

ISACA Academic Relations Advisory Team Volunteer Opportunity

ISACA Academic Relations is looking for volunteers who are willing to work closely with our ISACA Student Groups for the following key activities:

- Advise the student bodies of the ISACA clubs in planning, marketing, and executing events
- Advise students on how to conduct elections and transition roles for each semester/ academic year
- Inform students of upcoming ISACA events
- Report to the Chair of Academic Relations on student activities and resources needed for the clubs (e.g.: speakers for presentation, food for ISACA events, etc.)
- And more!

Call to Action

- Looking for IT professionals who would like to give a presentation on any IT topic at any university
- Looking for mentors to work with students during 2023-2024 academic year and help them with career development and job search

If interested please fill out the [ISACA NY Metropolitan Volunteer Form](#) or email us at academic.relations@isacany.org.

PHILANTHROPY SUBCOMMITTEE

Eugene Levin, Acting Chair

2023-2024 Fundraiser

- In the 2022-2023 academic year, the New York Metropolitan Chapter awarded three \$1,500 scholarships to students interested in digital trust professions.
- This year, we are excited to announce our new fundraiser, culminating at our Gala on

- This year, we are excited to announce our new **Fundraiser**, culminating at our Gala on June 22nd, which aims to raise **\$16,000** in order to award eight \$2,000 scholarships in the 2023-2024 academic year.
- To reach our goal, the New York Metropolitan Chapter will be **matching donations up to a total of \$8,000**. We are committed to supporting the next generation of digital trust professionals and hope you will join us in this important endeavor.

To make a tax-deductible donation directly to the New York Metropolitan Scholarship Fund, which will be used to award scholarships in the 2023-2024 academic year and will be matched 100% by the chapter, please use the QR code below.

"As a woman, I know the odds are stacked against me in terms of accessibility to career opportunities, but nevertheless, I persisted. This scholarship helps me pursue a master's degree in Cybersecurity and one day become a Chief Information Security Officer (CISO)."

ONE IN TECH. An ISACA Foundation

Igra Malik
ISACA New York Metropolitan Chapter -
Moisey Levin Memorial Scholarship Recipient

I am a multi-racial woman with a disability, which is challenging in this field. This scholarship advances my dream of using my cybersecurity degree to create a free anti-virus software and a non-profit so I can change the world in my own way.

-Analee Lai, ISACA New York Metropolitan Chapter -
Moisey Levin Memorial Scholarship Recipient

ONE IN TECH. An ISACA Foundation

I plan to explore auditing and consulting for risk management, and one day would love to teach information security. This scholarship will help further my development of leadership skills, especially as a student leader looking to grow the ISACA chapter on campus.

-Gretchen Levy, ISACA New York Metropolitan Chapter –
Moisey Levin Memorial Scholarship Recipient

CSX LIAISON & CYBERSECURITY EDUCATION LEADER

Jay Rofsky, Chair

Overview

The Cybersecurity Education Leader provides CSX-Fundamental (CSX-F) training for chapter members as well as Cybersecurity awareness updates and hot topics of interest to the membership.

Call to Action

If you are interested in supporting the Cybersecurity outreach of this Chapter, please contact Corresponding.secretary@isacany.org or click [here](#) for volunteering information.

Current Hot Topics

Every month, the Cybersecurity Education Leader plans to provide the latest Cybersecurity industry updates related to IT Audit, Cyber Breaches and Threats, Cloud Technology, Data & Privacy, and Enabling Technology.

If you have any updates, you believe are worth noting, please email our chapter [lead](#).

Google Banned 173,000 Developers Last Year

Google has intensified its efforts to prevent malicious developers from publishing software on the Play store, resulting in the removal of 173,000 bad accounts in 2022. By implementing phone, email, and other identity verification methods for new developers, Google reduced the number of accounts used to publish policy-violating apps, preventing 1.43 million such apps from appearing on the Play marketplace. In total, the company claims to have thwarted \$2 billion in fraudulent and abusive transactions.

To further enhance the safety of the Android ecosystem, Google has focused on developer outreach and education. Initiatives such as the App Security Improvements program have helped developers fix 500,000 security vulnerabilities across 300,000 apps with around 250 billion

Global Cyber Attacks Rise by 7% in First Quarter of 2023

Cyber-attacks have increased globally by 7% in Q1 2023 compared to the same period last year, with companies facing an average of 1,248 attacks per week, according to Check Point's latest research report. The education and research sector saw the highest number of attacks, with a 15% increase compared to Q1 2022. Geographically, the APAC region experienced the most significant year-on-year increase, followed by North America. The report also reveals that 1 in 31 organizations worldwide fell victim to a ransomware attack each week during Q1 2023.

To combat these threats, security researchers recommend a series of cyber safety measures, including keeping computers and servers updated, conducting regular cyber awareness training, and using improved threat prevention

installs. The company also launched a Helpline pilot and a Google Play Developer Community to provide assistance and foster discussion among developers. Despite these efforts, malicious apps continue to appear on the Play store, highlighting the ongoing challenge of maintaining a secure platform.

Sam Vohra
James Powers
Alyssa Vumbaco
Karen Alexander (Immediate Past President)

INFORMATION AND COMMUNICATIONS

Eugene Levin, Corresponding Secretary

Please let us know your thoughts and suggestions about the content at corresponding.secretary@isacany.org

My tenure's end fills me with bittersweet emotion,
As I look back on moments of pride and devotion,
Crafting newsletters with care each passing month,
Building a bridge of connection, not just a mere front.

I am grateful to have been the voice of our chapter,
To engage with our community, an unceasing rapture,
But though this role may now come to a close,
I'm eager to see where my new path goes.

For I know that my time here was not in vain,
And I'll continue to serve with passion, without refrain,
As I take on a new role, a different light,
I'll strive to make our future bright.

To each of you, thank you for the memories we've shared,
For the joy of collaboration, for the ways we've cared,
I'll carry them with me, forevermore,
As we work together towards what's in store.
